**In re:4:22-cv-03279, Lewis Brisbois, *et al* v Bitgood, *et al*, In the
United States District Court, Southern District of Texas**

Dear Judge Ellison:

I enclose the paperwork filed on even date with the Texas Secretary of State which resolves the grievances as set forth by Plaintiff, pro-se. We do this because it is obvious from the Court's gentle reasoning and thoughts as expressed by His Honor on the record, that this is the "right thing to do"! If Plaintiff pro-se wants to continue this fight, then we cannot control that. However, not one of your words, NOT ONE WORD you spoke today escaped me, and as such, and out of fear and respect for the Court, not the Plaintiff pro-se; WE YIELD to the Court.

Thank you again for the way you handled the matter, and thank you to your staff for tending to my special needs based on disability.

Respectfully Submitted

/s/ Michael Joseph Bitgood

Re: Dissolution of Texas Domestic Limited Liability Partnership
File No.: 804584868
Name: Lewis Brisbois Bisgaard & Smith, LLP (Domestic)
Filed Date: May 26, 2022

Dear Mr. Scott,

The partners to the limited liability partnership referenced above have this date agreed to dissolve the partnership and have ceased operations.

To the extent there is any question of confusion of the name of the Texas Domestic Limited Liability Partnership, file number 804584868, with the California Foreign Limited Liability Partnership, file number 804590542, the dissolution of the Texas LLP which will be formally filed is intended to avert any name confusion with the California Foreign LLP.

Very truly yours,

/s/ Susan C. Norman
